**WORKING HARDER FOR YOU!**

Steven Fox, Businessman/Philanthropist

I was born and raised in southern Wisconsin and come from a long line of entrepreneurs. I attended St. Olaf College in Northfield, Minnesota, and graduated with a B.A. cum laude, studying Economics and Theatre.

Being the oldest of six children, I was expected to carry on the family business. Instead, I branched out on my own and have owned and operated businesses in the distribution, software, travel and alternative health industries. My newest venture is in agriculture/re-forestry.

Moving away from the business world, I came to Hawaii to study Hawaiian culture, plants and religion/philosophy. I also studied Hawaiian healing practices with Aunt Margaret Machado. I have been living in Hawaii for eight years and own a house in Holualoa.

Currently I sing with the Kona Music Society and have been an active supporter of the following non-profit organizations: the Kona Association for the Performing Arts; Holualoa Foundation for Arts and Culture; Hawaii Public Radio; Hawaii Public Television; Hawaii Island Humane Society; The Sierra Club; and MoveOn.org

In the political arena, I am a member of the Democratic Party and serve as a Vice President of District 6 and Treasurer of Precinct 4. I was also a delegate to the County and State Conventions.

I am running for State Senate District 3 in order to represent all people and their ideas. As a State Senator, I will work hard for you, listen to your concerns and work on the issues that matter most.
